The aggregate purchase price of \$6,800,000 in respect of the acquisition of shares of Common Stock on behalf of the Funds was paid using the investment capital of the Funds at the direction of the Reporting Person. The Reporting Person acquired such shares in open market transactions.

## ITEM 4 PURPOSE OF TRANSACTION

The Reporting Person has purchased the shares reported by it for investment for one or more accounts over which it has shared investment power, voting power, or both, with respect to such shares.

The shares were acquired for, and are being held for, investment purposes. The Reporting Person intends continuously to review its investment in the Issuer and may in the future change its present course of action. Depending upon a variety of factors, including, without limitation, current and anticipated future trading prices of the shares or other equity securities of the Issuer, the financial condition, results of operations and prospects of the Issuer and general economic, financial market and industry conditions, the Reporting Person may sell all or part of the shares held by it, or may purchase additional shares or other equity securities of the Issuer, in privately negotiated transactions, as part of a cash tender offer or exchange offer, or otherwise. Any such purchases or sales may be made at any time without prior notice. Depending upon the foregoing factors and to the extent deemed advisable in light of the Reporting Person's general investment guidelines, or other factors, the Reporting Person may formulate other purposes, plans or proposals with respect to the Issuer, the shares or other equity securities of the Issuer, which may or may not include, without limitation, causing a merger or similar transaction between the Reporting Person or an affiliate of the Reporting Person and the Issuer, or seeking representation on the Issuer's Board of Directors.

The foregoing is subject to change at any time, and there can be no assurance that the Reporting Person will take any of the actions set forth above. Except as otherwise described in this Item 4, the Reporting Person currently has no plans or proposals which relate to, or would result, in any of the events or transactions described in Item 4(a) through (j) of Schedule 13D, although the Reporting Person reserves the right to formulate such plans or proposals in the future.
